The JACKETS are HERE!

NEW STUDIO JACKET

\$60

SIZE 4-6 YOUTH - XL ADULT

We are VERY excited to have our first batch of custom made studio jackets arrive! Sizes starting at child 4/5 to Adult XL. We want our dancers to see this as their very own "lettermen" style jacket to rep their studio and their passion! Limited quantities avail for our first order but will be taking pre-orders and making additional orders as these sell out. Turn around time is about 3 weeks moving forward. We plan to offer patches to dancers to purchase and /or earn each year to add to their jackets. This has been years in the making and it's finally here!

Footnotes ELITE Jazz will be headed to Disneyland to perform in the Dance The Magic parade down Main Street on April 13th!

We are excited to participate in incredible experience for our dancers! Each dancer will get a professional photo, t-shirt, bag and video of the parade. They get to rehearse "behind the scenes" at the park and be part of something super special! We will be posting pics on Instagram this weekend to share this experience with you all.

Stay tuned!
