- Dancers in multiple classes may eat in the back, tiled area only.

Starting 11/14 ****Hip-Hop**** ages 8-10yrs Tues with Cha Cha 6:45PM

Costumes are being selected and students will be measured in their classes throughout the month.

- You will know your costume & balance on/before Dec 21st.
- The average cost of a costume is \$95.00.
- We must order early to ensure these companies do not run out of fabric. Last year we had to pick different costumes because they were sold out.
- Footnotes staff will size your child and give you suggested size with room to grow BUT you can pick a size larger if you feel their height or a growth spurt may be of concern.
- Details of our ordering process/payment deadlines will go home with your child's measurements on their costume order form.

We are having 2 separate recitals this year!

- Classes have officially been divided to "Show A" and "Show B"
- This means your child will dance in 2 shows (Elite/Fusion dance in all 4)
- Your costume order form will state which show your child is in
- Separate shows are a good thing:
 1. More tickets available per family/per show
 2. Shorter Show Times
 3. More backstage dressing spaces
- Show A: Thursday/ Saturday 7PM - Show B: Friday 7PM / Saturday 2PM
